【書名】 KWAIDAN: Ghost Stories and Strange Tales of Old Japan

【著者】 Lafcadio Hearn (小泉八雲)

【発行】 チャールズ・イ・タトル出版

Lafcadio Hearn came to Japan in 1890 and worked as an English teacher at middle schools before becoming a professor at Waseda University. He lived in Japan until his death in 1904. He was one of the first Westerners to write about Japan and his books are well known around the world. Kwaidan is his most famous book and is a collection of Japanese ghost stories. The stories are very interesting and often quite spooky.

【書名】 Tutto-chan

【著者】 Tetsuko Kuroyanagi

【発行】 Kodansha International

Totto-chan is a book written by one of the Japan's most famous television personalities, Tetsuko Kuroyanagi. It tells the story of her childhood and in particular her experiences at her school in Tokyo during World War II. It is a delightful book to read and examines the issue of what is important when educating young children.

【書名】 Squeaky Wheels: Travels with My Daughter by Train, Plane, Metro, Tuk-tuk and Wheelchair

【著者】 Suzanne Kamata

【発行】 Wyatt-MacKenzie Publishing

This book is based on the true travel experiences of a mother and daughter. Suzanne Kamata's daughter is deaf and has cerebral palsy. She has to use a wheelchair to move around. The book documents their travel in the United States, around Japan and in France.

The book touches on issues of culture, independence, and also accessibility for travelers with disabilities.

【書名】 日本人がはまりがちな英語の落とし穴 ～自然な英語へのA to Z～

【著者】 David Barker
